Performance evaluation, implementation situation and evaluation results of the Board of Directors

External evaluation:

The "Rules for Performance Evaluation of Board of Directors" amended and approved by the Board of Directors on February 26, 2021, stipulates that the Company's Board of Directors shall conduct an external evaluation of the performance of the Board of Directors and its committees at least once every three years.

On February 2023, the Company commissioned the "Taiwan Institute of Ethical Business" to conduct an external evaluation of the performance of the Board of Directors and its committees (including the Audit Committee, Remuneration Committee, and Nomination Committee) for 2022 (the evaluation period was the entire year of 2022). The institute and its experts have no business transactions with the Company and are independent. They evaluated 4 major aspects, including professional competencies, effectiveness of decision-making, internal control, and sustainable development, and made questions such as how the Board of Directors grasps the company's operational status, how communicates with shareholders, how manages corporate risks and crises, verifies the implementation of the company's internal control and audit system, evaluates the management of the corporate sustainable business operation and observes the operational efficiency of the company's Board of Directors. They conduct evaluations through questionnaires and on-site visits. The Taiwan Institute of Ethical Business issued the performance evaluation report on March 13, 2023, and the recommendations and expected implementation measures mentioned were presented to the Board of Directors on March 23, 2023. The relevant content of the overall assessment and measures are as follows:

I. Overall Evaluation of the Evaluation Report:

The institute assesses the following aspects separately: professional competencies, effectiveness of decision-making, internal control, and sustainable development:
